

HHS Band Trip Financial Contract
Chicago St. Patrick's Day Parade: March 13 – March 16, 2025

1. Upon submission of this signed Financial Contract to the HBA, the student is required to pay in full the entire cost of the trip (approx amount of \$1,055.00), through either fundraising or personal check, by the installment dates set forth below.
2. ***There are no refunds at anytime (unless you purchase trip insurance – see # 3)*. Campbell Tours pays for the trip as they receive funds from you. They must do this to meet deadlines from the vendors that we will be visiting.***
3. ***Students may choose to purchase trip insurance. Trip insurance is not a part of this trip and must be purchased separately directly between you and an insurer of your choice, if you elect to purchase protection. Campbell Tours recommends "InsureMyTrip.com." Phone #: 1-800-487-4722. The policy recommended is the "Atlas Journey Economy - World Trips for Student/Group Travel" with the "Student Activities Upgrade" for an additional \$10.00. This policy is approximately \$55.00 per \$1,000 of trip expense. With this policy, a full refund would be provided for a death in the family or a medical emergency with a doctor's note. There are many different plans available for under \$80.00 and families can choose the plan that they are most comfortable with. Insurance MUST be purchased within 21 days of the first payment being received. Purchasing insurance is a decision families make with an insurance provider; HTSD, HBA, and Campbell Tours are not responsible or involved in any arrangements made between a family and an insurance provider.***
4. Purchasing trip insurance **DOES NOT** issue a refund for a student who, after committing to the trip, simply changes their mind and decides they do not want to go.
5. If you file a claim and are returned a refund, the fundraised portion of your trip refund shall be returned to the HBA, per IRS regulations regarding 501(c)3 organizations.
6. There will be a \$100 returned check fee to "Campbell Bus and Tour" in addition to any charges you may encounter from your bank.
7. Students are **NOT** permitted to sign-up for a room until they are current with their payments.
8. If you decide to withdraw your student from the trip, you must notify Mr. Himmler in writing. It is assumed that all students who submit a trip contract are attending the trip until we receive notification in writing of a change.
9. The following payments must be met on time with either fundraising credits or a personal check payable to "**Campbell Bus and Tour.**" Parents will be advised as to what they owe prior to each deadline.

Payment Dates: #1 Sept. 5 = \$200.00 & financial contract;
#2 November 22 = \$428.00; #3 Jan. 31 = ~\$427.00 or balance

****The final cost of the trip is dependent upon the # of students who attend. If 120 or more students attend the trip, then the above amounts are correct. Fewer than 120 students would increase the cost of the trip.***
